

Reference Sheet: Records Already Reviewed

This sheet accompanies a California Public Records Act request concerning street outreach and homelessness-services capacity in downtown San Diego. It lists the related records already public on the SDHC NextRequest portal, so they need not be reproduced, and it identifies the agreements whose staffing and reporting exhibits the request concerns.

Agreements already released (Request 25-61 and 25-197)

- HHI-21-17 Agreement, Homelessness Response Center (PATH), with First Option & First Amendment, Second Option & Second Amendment, and Third Amendment.
- HHI-24-23 Agreement, Homelessness Response Center (PATH), with First Option & First Amendment. Scope of work states the HRC operating schedule (Mon-Fri 8:00 AM-5:00 PM; Sat 8:00 AM-2:00 PM) at 1401 Imperial Avenue.
- HHI-25-51 Agreement, HRC Start-Up/Operations (Downtown San Diego Partnership Foundation), executed 2025.

Data already released (Request 25-52)

- FY24 HRC Activity Report.xlsx (monthly walk-ins and services, July-June).
- FY25 HRC Activity Report (July-Jan).xlsx.

The current request item 2 asks for the continuation of this same reporting series from February 2025 forward.

What the request is focused on

The released agreements above describe services and compensation but not outreach staffing levels. The request therefore seeks the staffing-plan exhibits, FTE counts, schedules, and provider activity/performance reports for street outreach programs serving downtown, and any deployment or zone-assignment records. Aggregate reports are preferred; client-level personal information may be redacted or excluded.
